

iRobot Engineers: **Brian Doughty, Andrew Wolfe, & Brian Benson**

Engineering Design Seminar Series

Wednesday, November 13, 2013

12:00 – 1:00pm

200 Richards Hall

Learn how one of iRobot's engineering teams designs, develops, and tests the latest in robot technologies!

Free and open to students, staff and faculty.

Questions? Contact Kathryn Schulte Grahame k.schulte@neu.edu

Your attendance may count as **extra credit** for your GE 1110 Class (check with your instructor).
